# support

a r t s ?

it *feels* good

art astonishes, energizes, empowers, inspires, teaches, and motivates—it touches lives for the better.

it *does* good

art fuels economic growth, helps kids succeed in school, and brings people together.

it's *time* now

state art funding provides just 3¢ per person per year; ticket prices alone don't pay the bills—donors are vital to the arts.

Art is part of a vibrant community. Make it part of your community giving. For ideas and information, visit: [www.oc-cf.org/arts](http://www.oc-cf.org/arts) or call: 949-553-4202
